To compliment this study, open it to all of us, and have some fun this Winter, Marna will be screening Dermaid McCulloch's *A History of Christianity: The First Three Thousand Years*. This is a series of six videos, each an hour long. The dates for screening are January 30th, February 13th, February 27th, March 12th, April 9th, and April 23rd. Screening will happen downstairs in the Great Room and Popcorn will be provided

BARBIE ANYONE?

Margie West invites all of us to join her at the Peter White Library at 12 noon on Friday the 26th to attend the screening of the Barbie Movie. To peak your interest, here is an article that I found online that talks about the Barbie Movie from a male point of view.

Think Scrip!

A smaller congregation at St. Paul's has led to a smaller participation in the scrip program. This program has contributed over \$10,000 to St. Paul's during the last 11 years and we would like to continue to give financial support. But we need your help to make this happen! Please "Think Scrip" when you are purchasing groceries, gas, gifts and eating at restaurants.
