MAY is going to be DIRECTORY UPDATE month at St. Paul's Episcopal Church. The time has come for everyone to correct their email addresses and phone numbers, possibly addresses, etc. for the church directory. This is not the photo directory that Geoff so wonderfully created for us recently, but "just the facts" directory so that we know how to be in touch with each other. Every Sunday in May there will be an opportunity to update information.

EMERGENCY CONTACTS: We are making optional a place to put an emergency contact or two onto the information sheet that we will be using. **THIS INFORMATION WILL NOT BE MADE PUBLIC**, but we would like to have it on file in case of an emergency with one of us as we live and work and worship together. **THIS INFORMATION WILL BE KEPT PRIVATELY** in the office unless it is needed. More conversation about this includes how we can be safety nets for one another, but/and this collecting of emergency contacts are one step in that direction.

A Note from Sierra

The church summer calendar is now open... with that being said, if you need a meeting, event, class, etc. put in the calendar, please do ASAP. Please do not assume the room that you would like to use is available. If you think you have already gotten the information to me please confirm with me to make sure I have it on the calendar!

Thank you!

The family of Jim Jajich is grateful for everyone who made the memorial service on Easter Monday a joyful celebration of Jim's life.

Thank you to those of you who extended condolences, attended the service, volunteered your poetic and musical talents, shared stories of your time with Jim, prepared food for the reception, cleaned up afterward.

We especially appreciate those who helped us plan the service- and those who stepped in when Bob Railey was hospitalized: printing the service programs and leading us in the hymns, liturgy, and communion of a beautiful service.

The love and support of all of you continues to be a comfort to us at a most difficult time.

-Margaret, Dmitri, and Audrey Jajich

We have a wishlist on Amazon of items we would like to have at our table at Pride Fest. Some youth in our community have helped us pick out various items (ie stickers, buttons, flags, etc).
