SoulShop for Congregations Training Tuesday at 5:30

SoulShop for Congregations training is to be held tomorrow, Tuesday, from 5:30 to 7:30 in the Great Room. The Covenant Group will be undertaking this training as part of their preparation for ministry. We are opening up the training to everyone in the congregation. All interested folks are welcome and encouraged to attend. The training is based on the idea that "if we can say the word suicide in a sentence, we can save a life."

More Yogurt Jars Needed, More Plant Starts Needed.

We are half-way there! 50 plants have been planted in OUI yogurt containers. They look great. I am working on a sticker that will be affixed to these little plant gifts. Please feel free to eat more OUI Yogurt and to start more plants being rooted!

Pridefest a Great Success!

A great Shout Out to the Kitchel family for getting us on board with Pridefest

on June 8th. As the photos show, we were colorful, cheerful, and enthusiastic. So many conversations with so many people. So much display of originality and compassion! Thanks to everyone who donated stickers. They were a great hit!

A few notes from Sierra...

*The church is going to be VERY busy in the next few weeks with many different rehearsals for different music events that will be happening this month. Please be aware of the timings. Please note that all of the music events will be advertised throughout all our communications. EVERYONE is welcome to attend these events.. they're going to be a lot of fun!

**The church office will be closed on Wednesday, June 19th in observation of Juneteeth

*The church office will be closing early on Friday, June 21st as my sister is getting married this weekend!

* If you stop by the office, you will probably encounter a few guests in my office this summer

Brantley is my son- he loves playing football, racing his NASCAR cars, drawing and reading. You'll probably see him out on the church grounds or in my office. Feel free to say hello!

Blaney- she is the smaller of my two dogs that come to my office on occasion. She is a 4 year old German shorthair that LOVES to keep watch for those pesky squirrels. She will be the church guard dog when she is here.

Buck- he is my big baby- he is very large in size but very very friendly. He is my 2 year old black lab that just loves people and any type of attention. But mainly, he is Brantley's best friend.

Now, I know it may be a little intimidating walking in and seeing so many faces but please know that when my dogs are here they are usually barricaded off, they will just be excited to

Scrip News

After reviewing the scrip program it has been decided by the Vestry and Ann and Barb that the program will close. The number of participants and consequently the profits have dwindled due to the size of our

congregation. We will continue to sell our inventory in the coming months so please help us by buying in the weeks to come. We still have many cards available including Babycakes, Border Grill, Donckers, Tadych's Marketplace, Circle K Gas, Huron Mountain Bread, Jeffreys, Marquette CoOp, Third Street Bagel, Togos, and Vangos. Ann or Barb will be selling after church at coffee hour.

Thank you to all who helped make our first annual Pride Fest St. Paul's Episcopal tabling event such a success!! From those who contributed items from our wishlist (a huge hit among festival goers!), to those who volunteered their time, to those who voiced their enthusiasm and support...it took all of us to make it happen and was well worth the effort. We had a nearly constant flow of people stopping by our table throughout the day to say hello and ask questions. It was a day filled with joy, conversation and connection!

Did you miss the recent documentary on the ordination of the first female priests in the Episcopal church- "The Philadelphia Eleven"?

Well you're in luck! As it happens, this July marks the 50th Anniversary of that watershed event.

As part of a nation-wide celebration, the film will be available to watch online on Kinema the entire weekend leading up to July 29th for a ticket price of \$11.

Watch any time from 12pm EST on July 26th to 12pm EST on July 30th. All funds raised help us to share the film with more people!
