Gardening Update:

It is no small thing to grow food for people. Some of St. Paul's neighbors are food insecure. The Community Dinner that St. Paul's hosts each month attests to this reality.

There is a lot of "land" at the Diocesan Office that we can use to grow food for our neighbors.

At this point we are only limited by the amount of vision and workers that we bring to this Community Garden effort.

At this moment, we meet on Thursday afternoons at 4pm to dig in the dirt and plant/tend to our veggies. There is flexibility in this adventure. Is there a better time for you to plant and tend? Are you quite good at growing something in particular?

Also we need someone good at graphics to create some "garden information and invitation" to put in a box near the garden so folks begin to look forward to picking and eating.

Call or text Marna if you are curious or interested.

DO YOU NEED SOME BASIL? There is plenty to be harvested in the garden. Just stop by and pick some.

Contemplative Silence and NoonDay Prayer: Every Monday from 11:30 (really 11:40) to 12:15 in the Sanctuary at St. Paul's. Come sit in silence and be channels of God's Peace. We gather at 11:30, are quiet enough by 11:40 to set a timer, and at 12 noon we say the Noonday Prayer from the Book of Common Prayer. Simple but let us remember that everything begins and ends in prayer.
